

### 3 What is unusual about the Collège Ménans curriculum?

Go back to the **Index** and find **Ouverture sur le Monde** in the central column, then Cliquez sur **Ski à Morillan** on the right.

Browse through the five pages of photos of the students at Morillan. Can you work out the meanings for any of the captions? Write them here in French and in English.

Why do you think a ski school would be part of the curriculum in the area around Besançon?

---

### 4 Can you find other schools in the Besançon area?

Would you like a French penpal? Maybe you can find students from other schools in the Besançon area who would like to correspond with you. Use the French search engine  to search the web. In the box that says **Recherche** (search), type **Colleges Besancon**. (You'll get more results if you leave out the accents.)

Can you find the school that has a special section written by an Australian?

---

As you visit the websites for these schools, write in French what you like about the schools. You could use this information to design a small poster or brochure for your ideal school. Don't forget to give it a French name!
