La rentrée des classes

Summer holidays for French schools last from late June to early September. Going back to school is called **la rentrée des classes**. Shops that sell school supplies will have lots of sales on at this time. So let's go shopping!

Into your address bar, type

Cliquez sur **Catalogue en ligne** on the top right.

1 How much does an eraser cost?

Under the **Fournitures** (supplies) heading, make sure the drop-down menu reads **Gomme - Mines - Règles**, then Cliquez sur **OK**.

How much is a Staedtler eraser? _____

2 How much are the highlighters?

3 What school supplies does Ahmed need?

Here is a part of Ahmed's school requirements. Explore the site and write the **marque** (brand) and **prix** of the item of your choice. Then, record the **montant** (total) at the end. He only has 20 euros to spend, so be careful not to go over-budget!

	Article	Marque	Prix
Français	deux stylos bleus		
	un stylo rouge		
Maths	une règle		
	trois crayons		
	une gomme		
Histoire-géo	un bâton de colle		
	deux surligneurs		
Montant :			

Imagine you are setting up a design business in Paris. What office supplies do you think you would need to get started? Write a list of what you would buy from the **Buro +** online catalogue, with the prices for each item. (Don't forget: it will be cheaper to buy things in bulk!) You can go back to the first menu of the catalogue to look for different categories of supplies.
