Besançon time

You might say that the Besançon region is obsessed with time! Find out why with these websites.

- 1 In your address bar, type Select **English** → Cliquez sur **Cities** → Highlight **Besançon** → Cliquez sur **Submit** Cliquez sur **City Tour** then scroll down this page until you find the sections on the **Palais Granvelle** and the **Horloge Astronomique**.

- a The palace is the home of what museum? _____
- b Where can you find the **Horloge Astronomique**? _____
- c What does the **Horloge Astronomique** tell you about? _____

- 2 In the address bar, type **Poussez la porte !** Push his door open!

- a The main service the clock-maker offers is **restauration**.

Can you guess what that means? _____

Cliquez sur **Qui est l'horlogeur ?** on the left. At the bottom of the page is some information on when you can visit his workshop.

- b What days is he open? (Write your answer in French and English.)

- c What times is he open on those days? _____

Cliquez sur **Horloges et Pendules** on the left, then look for the clock called **œil de bœuf XIXème**.

- d In a full French sentence, write down what time this clock is showing.

- e Can you guess what the name of this clock might mean?

- f In French, write down the times of three other clocks on the webpage.
